Editor Covina Yearbook,
Dear Sir—

My syndicate has advised me that your school is turning out a yearbook that is to be a special "Harold Teen" issue. Covina became Harold Teen's school, when your buildings and grounds were used as a location in the first Harold Teen motion picture, a silent one, was produced in 1928, Arthur Lake and Mary Brian costarring with "er-yn" LaRoy directing his first picture.

If I can cooperate in any way, let me know. I would also like to receive a copy of this yearbook, when it is published.

Sincerely yours,

Creator of Harold Teen

word

MEMORIES OF 1953 are important to every Covina High student. Freshmen, who are as yet uncertain about their new surroundings; sophomores, who are more assured and take an interest in all activities; juniors, who spend the year worrying about the prom; and seniors, whose thoughts are on graduation and college—all are embodied in our favorite characters, Harold and Lillums.

Harold and Lillums are kept on the move every minute. Classwork presents new problems, but they are able to surmount them; club meetings are happy times with plans in the air for the next bake sale and "sock-hop"; and school spirit is high at all of our games, with many victories resulting.

Yes, they are busy, but they are happy too. As you turn the pages of your book, Harold and Lillums hope that you will recall the good things of this year.

Mr. Oliver L. Corbin

education

A SMILE AND A NOD always announce our principal, Mr. Oliver L. Corbin. Whether we meet him on the football field, on the campus, or in his office, he makes us feel glad that we know him.

This year Mr. Corbin is spending many hours with the legislature helping them as they direct our school activities. In addition to his regular duties he is an efficient timekeeper at all of our football games, and through his unceasing efforts harmony is kept between the townspeople and the student body.

Harold and Lillums value the friendship of our principal very highly. They are proud to dedicate the 1953 Cardinal to our ever-interested principal, Mr. Oliver L. Corbin.

EFFICIENT AND SMOOTH WORKING are words which aptly describe our administration. From the superintendent to the custodians and through the student government, all do their jobs well. Our counselors guide us over the rough places, our faculty helps us through another year, the student government regulates activities, and the custodians help us obtain our shortened Fridays.

These and many others are the key-workers of our school. They may be seen on the next pages, and Harold and Lillums feel lucky to know them all. Why don't you turn the page and get acquainted, too?

Able administrators

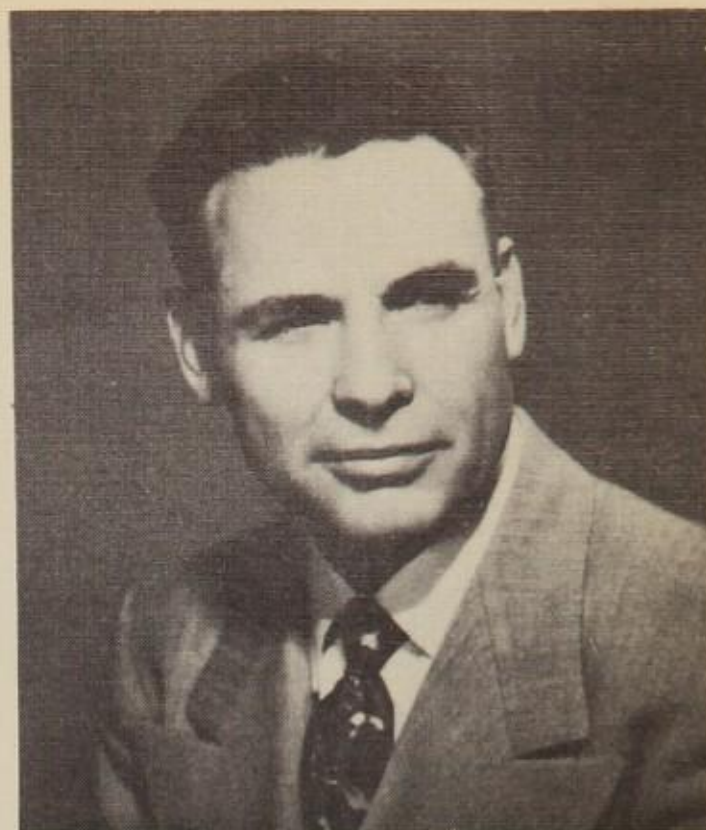

RUNNING SMOOTHLY is a phrase that aptly describes the condition of Covina High School today. The reason for this can be traced to the combined efforts of our principal, Mr. Oliver Corbin, and our vice-principal, Mr. William Lynch. Both of these men are competent in every respect, and they work tirelessly the whole year round to keep our school system in good running order. Their labors are not in vain, for they have given us a school which aids its students in every way possible. Many opportunities for advancements are given to Covina students under the leadership of these two capable men.

The students of Covina High have gained many privileges because of these two men, and they now wish to tip their hats to them for a job well done.

Essential to the running of the school are Mrs. Ekeroth, supervisor of curriculum and guidance; Mr. White, business manager; Dr. Ross, principal of adult education; and Mr. Wooden, supervisor of attendance.

Mr. Stanley B. Shaver
Superintendent

coordinate their efforts...

WHO IS RESPONSIBLE for running our school efficiently? Who are the people who work industriously throughout the year to carry out the complex business of our C. U. H. S. District? They are the members of the school board and the district administrators.

The administrators supervise the curriculum and guidance, the attendance, the adult education, and the

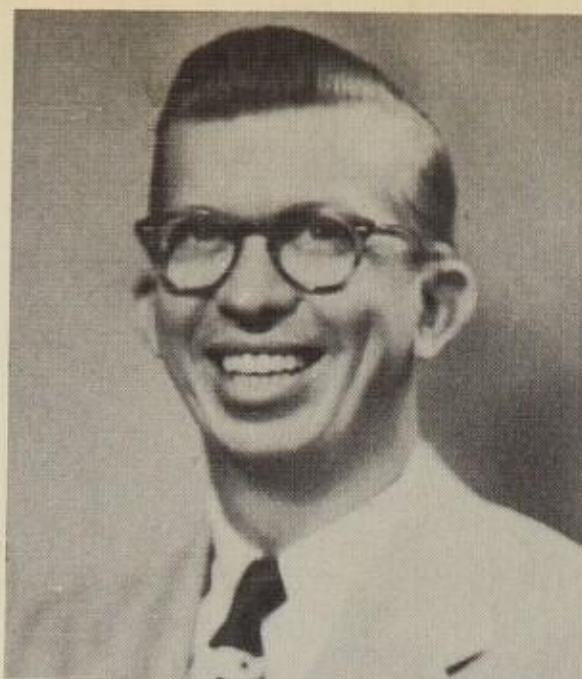

expenditures of money; while the school board approves the purchase of supplies, obtains a competent staff of employees to carry out the school program, and takes an interest in all our school activities. The result of the most important project of the year is the completion of the Baldwin Park High School. We thank all of our administrators for doing a fine job.

BOARD OF TRUSTEES—Mr. Stanley B. Shaver, superintendent; Mr. Jerry Nichols; Mr. Jim D. Reed, Jr.; Mr. Harold Elder, clerk; Mr. Ray Strohmeyer; Mrs. Lela M. Heffner, president.

Counselors, our friends...

Mr. Anderson
Senior counselor

The counselors give much appreciated assistance and advice regarding academic affairs to all of the student body.

ARE YOU TROUBLED with difficult problems? Do you want to seek advice concerning your next year's program? If your answer is "yes," we suggest that you make a visit to your class counselor, who will quickly and easily make an end to your troubles. No matter what your class or problem, any counselor is always ready to help you. Working diligently and unselfishly, our counselors

help many students get back on the right track. Moreover, they often help students become satisfied with their school life. Their advice is friendly and constructive, never harsh and cynical. Our counselors have a very rigid schedule; in addition to counseling, they teach regular classes and sponsor activities. Much thought and patience goes into the tedious job of helping others to help themselves. Holding the position of a counselor requires well-trained people. We of Covina High School feel lucky to have four competent people as our counselors.

Farming practices of tomorrow are learned by vocational agriculture students as they share experiences of home projects with one another.

Art students admire and criticize each other's achievements and share their talents by making posters for student body activities.

Indispensible assistants

PRACTICAL TRAINING is received by all of the students who assist the adults who run our school. They perform an important service in addition to enjoying the services of which they are in charge.

Answering requests for "Two-hamburgers and a bag of potato chips" are the ever popular malt shop workers. These students make change efficiently and give

prompt service.

Learning the rules and regulations of library procedure is a group of fortunate students. The information gained concerning the card catalogue, the Readers Guide, and the Dewey decimal system comes in very handy in writing reports and term papers.

strive for better workmanship...

ASSISTING US ALL in everything we do are the adults in every office, on the buses, and in the cafeteria and malt shop. These are the people who make our life considerably easier.

The bus drivers look very neat in their new uniforms this year and make the student body justly proud. Everyone knows the driver who takes him on a field trip or drives the late bus.

Custodians keep our campus looking neat and clean.

OFFICE STAFF—ROW ONE: Mrs. Yeager, Mrs. Chapman, Mrs. Wallace, Mrs. Jarvis, Miss Holden. ROW TWO: Mrs. Slattery, Mrs. Payne, Mrs. Vogels, Mrs. Couch, Mrs. Timmons, Mrs. Coffey.

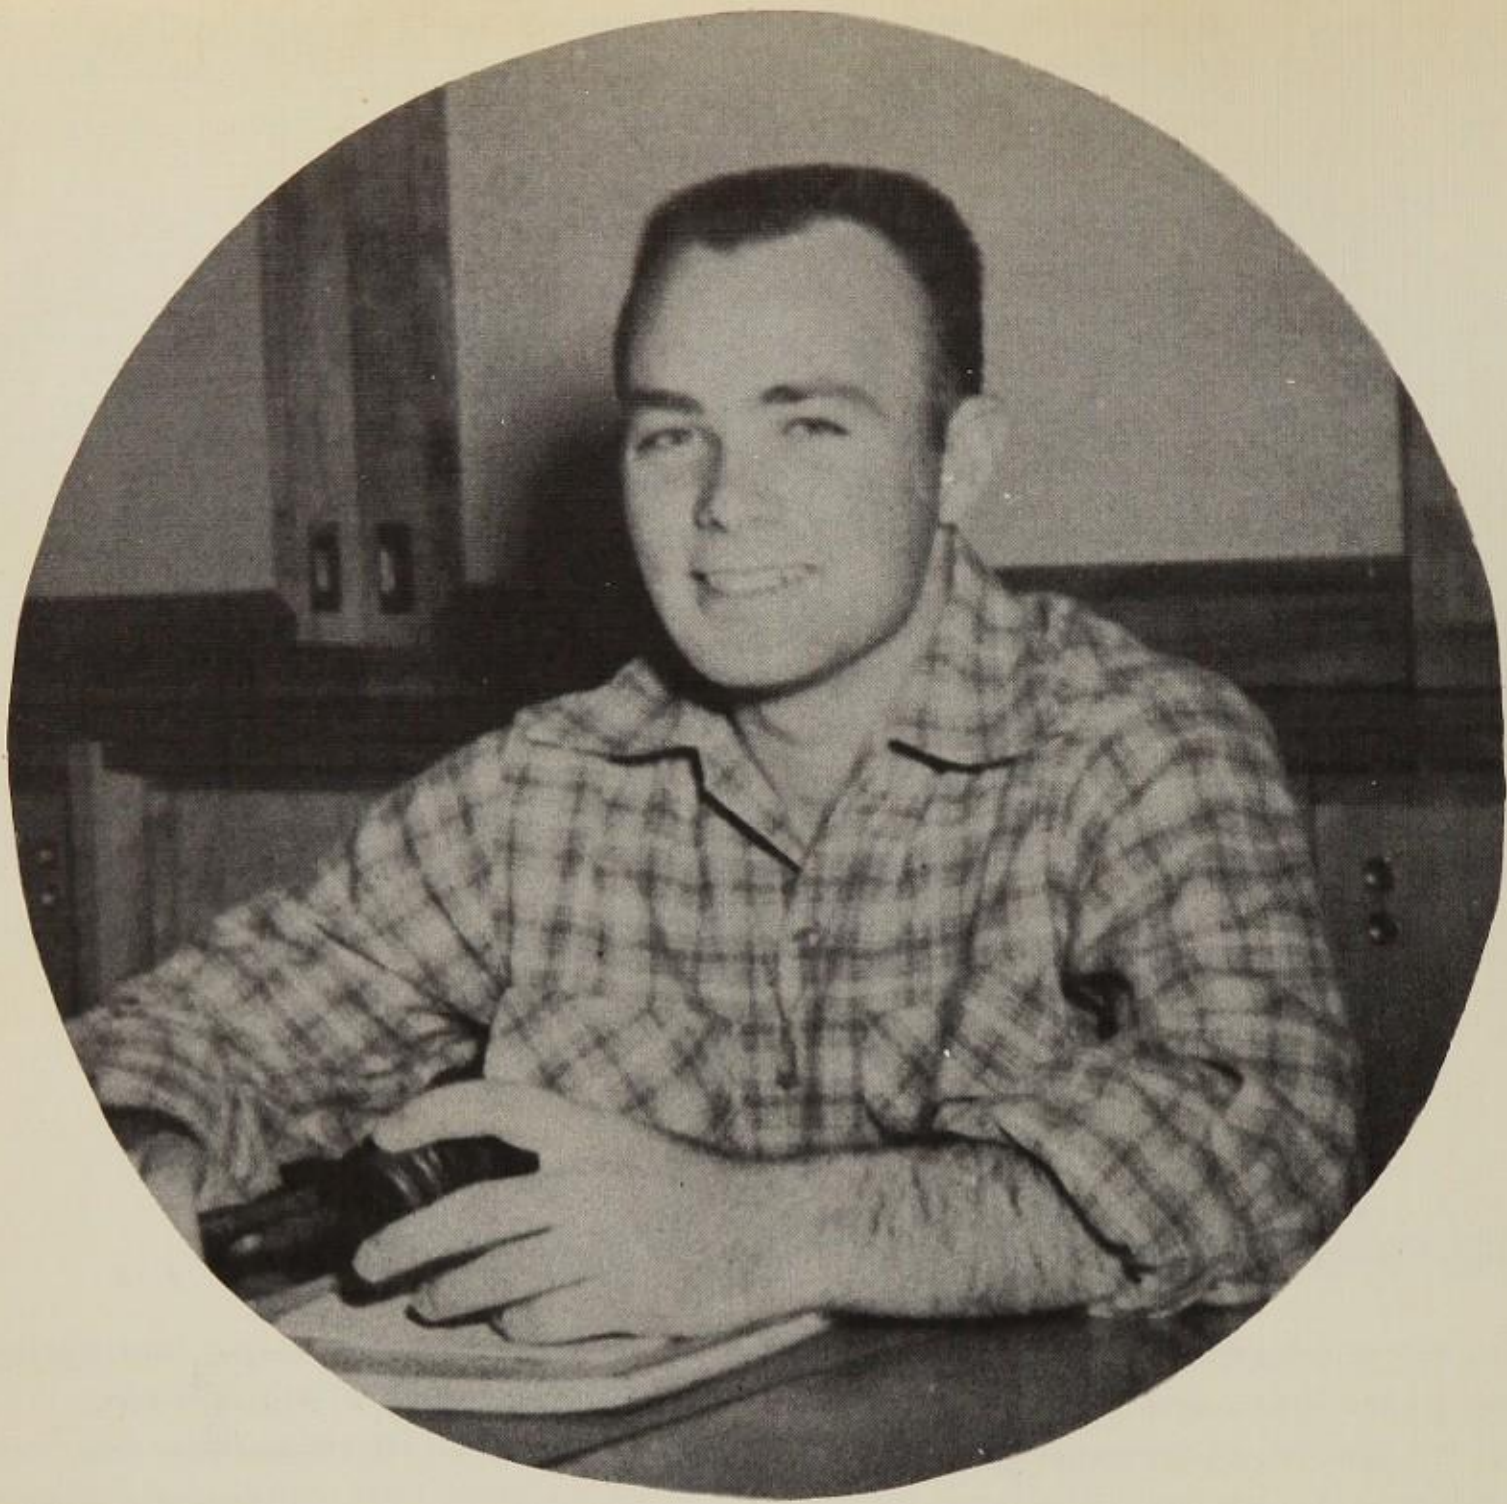

Delivering supplies of paper and answering our calls for help are included in their duties.

Clearing our absences, recording our grades, and countless other tasks make up the day of women who serve us from behind the desk. Keeping an accurate record of every detail is the exacting job of the office staff.

Serving us delicious meals are the women of the cafeteria. Their experience really pays off.

BUS DRIVERS—ROW ONE: Mr. Timmons, Mr. Morgan, Mr. Brown, Mr. Gavath, Mr. Adams, Mr. McAllister. ROW TWO: Mr. Covert, Mr. Zimmer, Mr. Drum, Mr. Seaman.

President of the Student Body

WE ARE FORTUNATE indeed to have Jim Mortensen acting as our student body president this year. Jim, working industriously and conscientiously, is fulfilling the needed requirements of an efficient president in fine style. He is the gregarious type who always has a helping hand for everyone. He keeps track of all student activities to see that they are running smoothly.

It is upon Jim's strong shoulders that we place the great responsibility of organizing and overseeing our complicated system of school government. In his hands rest the faith of many students who elected him to office. Jim Mortensen makes Covina proud to call him "Our President of 1953."

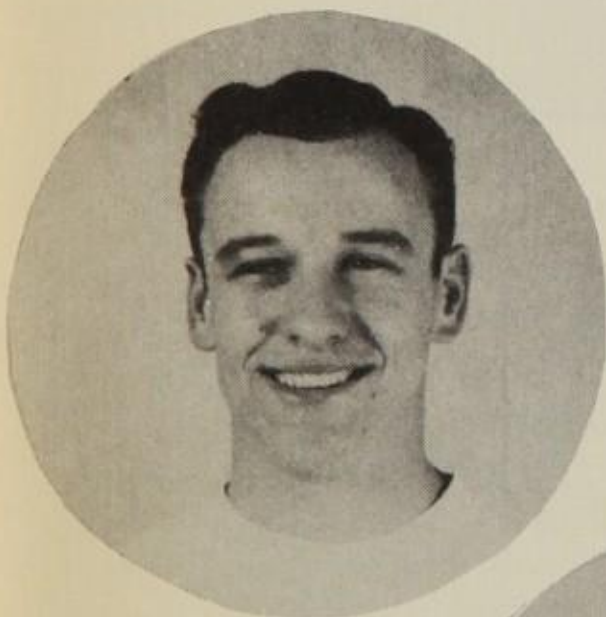

Elected cabinet officers are Dale Holm , vice-president; Joan Stevenson, secretary of records; DeNiece Burrell, secretary of finance; Dolores Burrell, assistant secretary of finance.

aided by his cabinet.

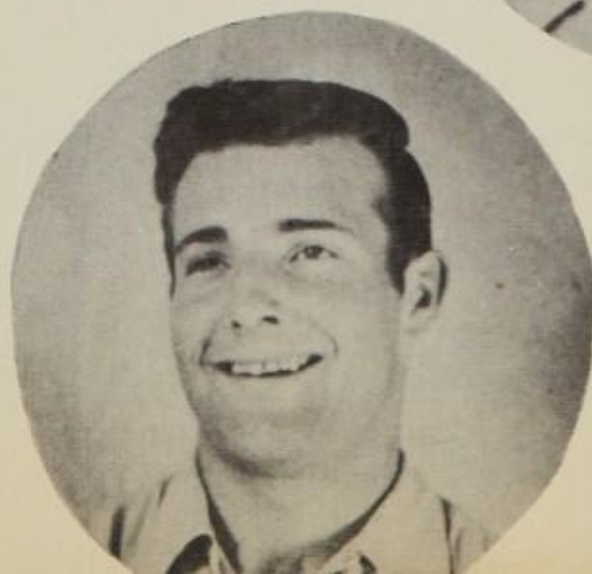

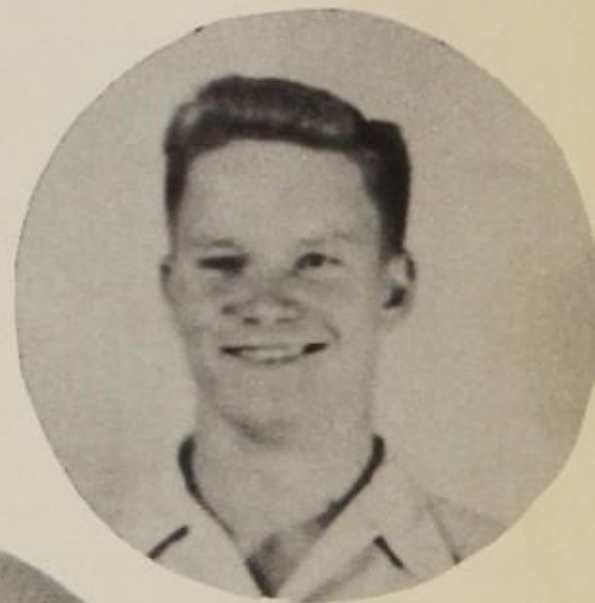

MEETING ONCE A WEEK to review the specific duties which assist the school in functioning properly are our efficient president and the student body cabinet. This group also meets with the legislature to advise them on many student body problems; however, they do not have the privilege of voting with this body. As a check on the members of the cabinet, the legislature acts as

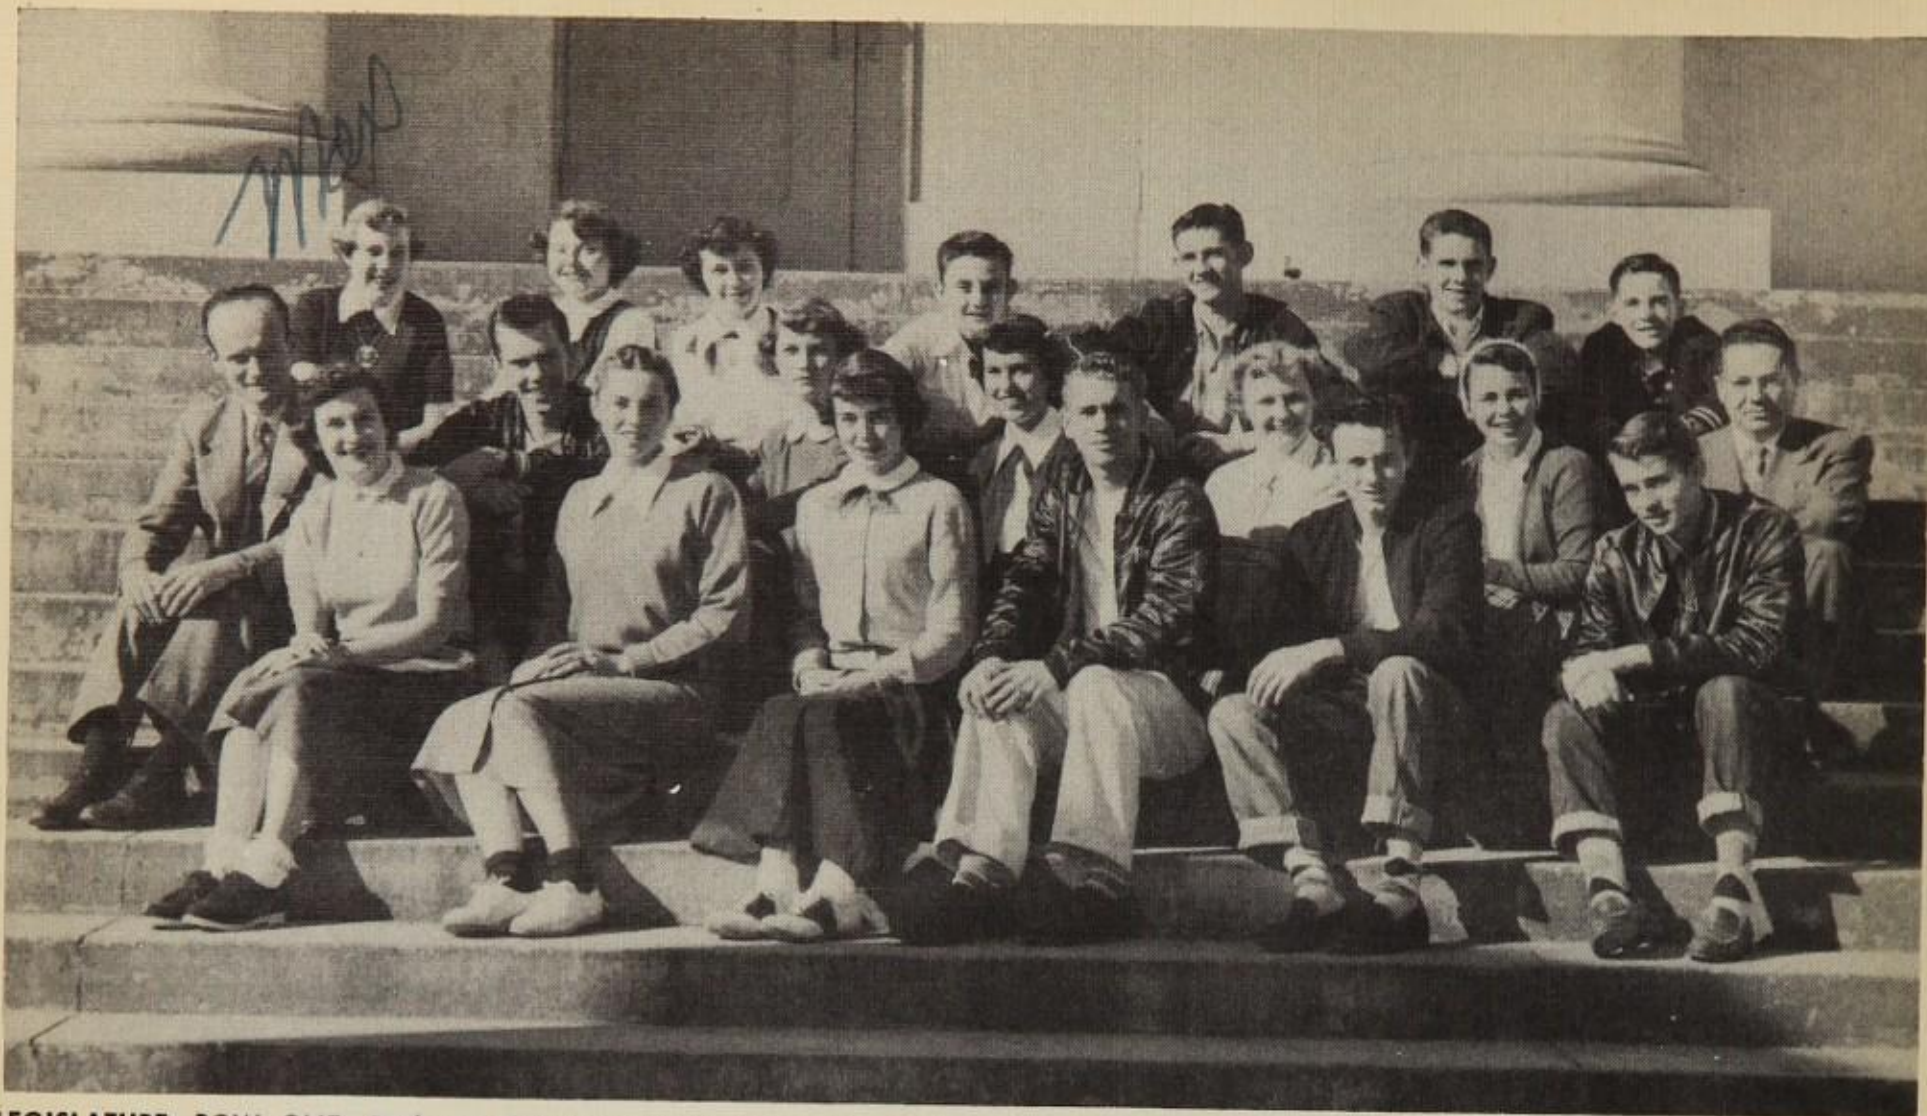

a court of impeachment to remove members from the cabinet when they do not fulfill the standards which they are required to uphold.

Being a member of the cabinet places a large responsibility on the shoulders of these people who are willing to work to devise a successful school program.

Appointed cabinet officers are Floyd Irvin, secretary of athletics; Shirley Davis, secretary of activities; Larry Mann, secretary of publicity; Dave Wickersham, secretary of programs.

LEGISLATURE—ROW ONE: Barbara Blue (secretary), Janet Overholtzer, Sue Parris, Ron Mort, Ken Elder, Dale Holm (president). **ROW TWO:** Mr. Fry, Dale Anderson, Donna Wenner, Helen Quick, Pat Allison, Mary Hackler, Mr. Corbin. **ROW THREE:** Maxine Hoffland, Judy King, Virginia Ellis, Glen Miller, Jim Quackenbush, Jim Dougharty, Jim Price.

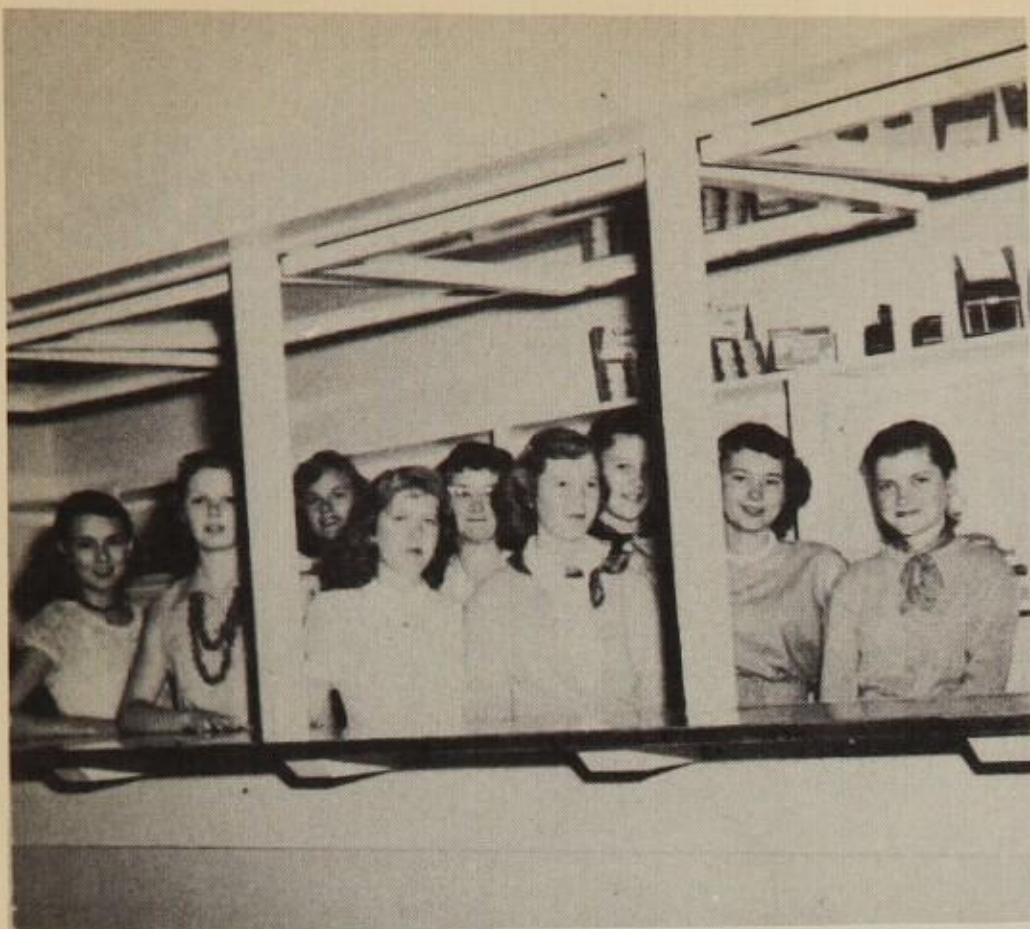

the student legislators

A HUGE PART in the function of our school activities is played by the Legislature. Four members of each class are elected at the close of each school year to serve for the next year. These students must possess clear thinking and an accurate knowledge of right and wrong in order to cope with the problems which they encounter. All members are required to take a course in leadership in addition to their regular studies.

Dale Holm, vice-president of the student body, presides over the Legislature at its weekly meeting. Mr.

Fry was the faculty adviser during the first semester before his departure for Japan. Mr. Corbin is now serving in this capacity.

It is the duty of the Legislature to stamp its approval on all bills passed by the class councils and to approve all "sock hops," bake sales, and the like. The legislators work diligently trying to improve their efficiency because it is a difficult task which requires much thought and work. The Legislature is one of the strongest links in our chain which represents a smoothly operated school.

Working in the student store are Jeanette Cahoon, Janice McMahon, Barbara Campbell, Lois Lennon, Virginia Randall, Julie Joyce, Carolyn Smith, Dolores Burrell, and Marie Dodenhoff.

Mr. Thorn, cabinet adviser, and De Niece Burrell are constantly working to keep the finances of the student body in order.

The sock hop, being sponsored by the student body, is a highlight of the memorable visit from Mesa.

and law enforcers...

FIVE JUDGES, A RECORDER, and a bailiff make up the Student Court, which exercises the judicial powers of the student body government. The members of the court work relentlessly throughout the year to insure us of a democratic method of dealing with various school problems. They handle persons who violate school rules and punish them according to the seriousness of the offense. Other duties of the court are to make decisions concerning the interpretations of the school constitution, to deal with legislative bills, and to check the grades of all student body officers. If the grades of the officers are below a B average, they are removed from office. The Student Court is also directly responsible for the Enforcement Agency.

The main job of the Enforcement Agency is to en-

force the laws set up by the Legislature. Patrolling the halls at noon and guarding the parking lot during class are a few of their duties. The Evaluation Committee is a part of this agency, made up of six members who devote their precious time each day to checking our campus. A report of their findings is made to Mr. Caldwell, adviser of the Student Court. If the campus is free of debris, we are then rewarded with a shortened Friday every other week. The committee goes to work immediately after lunch and carefully, without any prejudice, checks our campus. The members of the Evaluation Committee willingly give their service to the school, and they receive no reward for their strenuous efforts to "Keep Our Kampus Klean." Our Student Court and Enforcement Agency work hand in hand to better the reputation of our school.

SENIOR COUNCIL—ROW ONE: Pat Grimmesey, Pat Gillespie, Judy Van Curen, Charlene Masson. ROW TWO: Janet Pitzer, Kathi Frasei, Waldene Carr, Rosemary Terry, Sally Beardsley. ROW THREE: Don Stockton, Ed Davis, Kendall White, Ray Edwards.

JUNIOR COUNCIL—ROW ONE: Ann Knolmar, Carla Hunter, Joan Strand, Jo Pease, Darlene Adzovich. ROW TWO: Don Larkin, Jim Kline, John Parker, Larry Waters.

OBTAINING OPINIONS, desires, and needs of their fellow classmates is the job of the class councils. The president of each class has control over the class council, made up of two representatives from each study hall. The councils meet to discuss items of interest and importance to the majority of Covina High School students. Each council must be alert in order to see that the needs of the students are met. If the needs are not met, they

must allow the pleas of the pupils to be heard so that the condition can be remedied or improved. To look after the welfare of the students is the duty of the council, and recommendations of the councils are often discussed by the legislature. The class councils contribute much work, donate ideas, and give constructive criticism toward bettering our school.

SOPHOMORE COUNCIL—ROW ONE: Carol Black, Polly Dougherty, Jackie Trease, Diane Roberts. ROW TWO: George Bryant, Kenny Deitz, Judy Pursel, Gene Wood, Bill Joy.

FRESHMAN COUNCIL—ROW ONE: Buddy Joy, Muriel Duke, Garth Bryce. ROW TWO: Mary McIntyre, Margaret Anne Anderson, Lynne Sampson, Shirley Petrone, Barbara Miller. ROW THREE: Lee Griffiths, Walt Pyle, Pete Inman, Robert Clark, Johnny Reistetter.

Friends

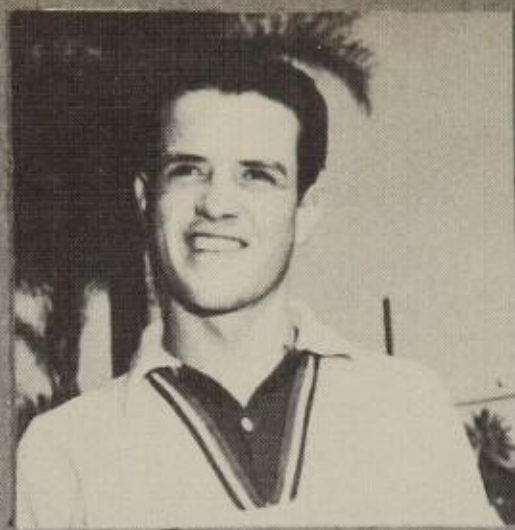

HAVE YOU SEEN very many students alone on our campus? Of course not. Every student recognizes the importance of being with others. Often they study together—sometimes in the library, more often in the living room, and even over the telephone. Many enjoy the companionship of sharing lockers and eating together; while for some, attending various school functions is a favorite pastime.

Harold and Lillums are proud of their friends and want you to meet them now.

NEARING THE END of their high school career, the seniors are very busy. Getting senior rings is a big event in the fall and is closely followed by the sockhops, one of which is sponsored by them. They entertain the student body and friends with an annual play, the choice this year being "Green Valley." As the year comes nearer its end, there is much activity and preparation for graduation; announcements and cards are chosen to herald the eventful day. When the air is warm and the assurance of spring has been made, the mothers of the seniors are honored at the Senior Mothers' Tea. In the last minute hurry and confusion the seniors leave the rest of the Harolds and Lillums suffering over their books and enjoy an exclusive picnic. But finally the last moment arrives; and as each of the graduates receives his diploma, he realizes that his high school days are now a thing of the past and the future is still ahead.

Full of ideas for the juniors are Chuck Nichols, president; Judy Rumsey, vice-president; Karen Timmons, secretary; and Marilyn Nash, treasurer.

FULL OF PEP best describes the members of this year's junior class whose first undertaking, their comedy play "A Young Man's Fancy," turned out to be a huge success.

Royal blue was the color chosen for their senior sweaters. Starting a new tradition this year, the junior class receives their rings in the spring so that they are worn during the spring and summer as well as the following year.

The main objective for the juniors is to plan and present the prom for the present senior class, and many weeks of preparation are needed. Bake sales, sock hops, and the noon movies held every Friday during study periods, all help with the finances for the spectacular "Arabian Nights" prom and in addition furnish enjoyment and entertainment for all the Harolds and Lillums at Covina High.

Ably leading the sophomores are Dave Townsend, vice-president; Sharon Robinson, president; Shanon Glenn, treasurer; and Toni Saadi, secretary.

UP ONE STEP on the ladder symbolizing high school years are the sophomores. Having tasted success during their freshman year, they are more than eager to enjoy the fun and spirit found on the campus. For frolic, the leaders and members of the class plan the annual sophomore dance, and later in the spring they refresh themselves and eat delicious food at a swimming party. Having made a wonderful start during the first half of their high school years, the Harolds and Lillums of the sophomore class will have many more successful experiences as they climb the next step of the ladder to become upperclassmen.

NEW BUT SUCCESSFUL is this year's freshman class. Getting into the routine of high school is a big task but one which this class seems to find rather easy. During Freshman Day there is always much confusion, but as the days go by, the members choose their leaders and get underway with work and fun. The big events of the year, the Freshman dance and picnic, are always a chance to get better acquainted and increase friendships, as well as thoroughly enjoy oneself. Now that the Harolds and Lillums of the class have gained experience, they are looking forward with enthusiasm to the sophomore year just ahead.

Socialites

BLUE CARDS AND ACTIVITIES always go together. Every student knows that without a blue card "you are absent from study." This year all of our organizations are busy. Plans for initiation are the big thing at the beginning of the year, and as the year goes on, money raising becomes a major item. Dances are the favorite pastime of many—whether "sock-hop" or formal.

A record of the activities of our "socialites" appears on the following pages, and Harold and Lillums want you to see it.

OODLES OF WORK go into putting out every Cardinal, a permanent record of each year's school activities. We hope that everyone enjoys it as much as we enjoyed doing it.

A new venture this year was the inauguration of a staff class. The class was composed of the editor-in-chief, assistant editor, business manager and her assistant, literary editor, art editor, senior editor, two class editors, and the photographer. In addition to their regular jobs these people all did whatever else they were asked to do.

The entire staff spent several noon meetings discussing the theme, and it was finally decided to use Harold Teen and Lillums Lovewell depicting the average Covina students and to bring back memories of this year. Samples of covers, papers, and end sheets were all carefully examined and chosen only after much discussion. The cover was designed by Al Pitzl and Ronnie Van Paris.

The class learned a great deal through drawing up the dummy; and when it was finished, assignments were made and we were ready to go.

CARDINAL STAFF—ROW ONE: Grace Holman, Perky Gossett, Donna Bruffy, Jackie Trease, Virginia Ellis, Beverly Tyson, Walterene Stovall, Joan Strand, Kay Cleff, Bette Cox, Carole Runyan. ROW TWO: Judy Hopkins, Luanne Lewis, Sharon Munson, Dolores Burrell, Susan Holbrook, Toni Saadi, Miryam Bachrach, Pat James, Joan Stevenson, Donna Wenner, Marceil Russell, Jo Pease, Priscilla Wilson. ROW THREE: Frank Chandler, Jim Swaisgood, Dale Anderson, Walt Gorrell, Ed Wynkoop, Ken Wiley, Terry Ball, Al Pitzl, Ron Van Paris, Carole Fournival, Anne Evans, Miss Mellon, Miss Loose.

uphold our traditions

The business staff worked unceasingly during their subscription campaign, and they worked twice as hard selling advertising space to neighboring merchants. Many hours were spent planning the advertising pictures and writing this copy.

Harold and Lillums are seen throughout the book because of the untiring efforts of our art editor. These cartoons are vital to the success of the Cardinal.

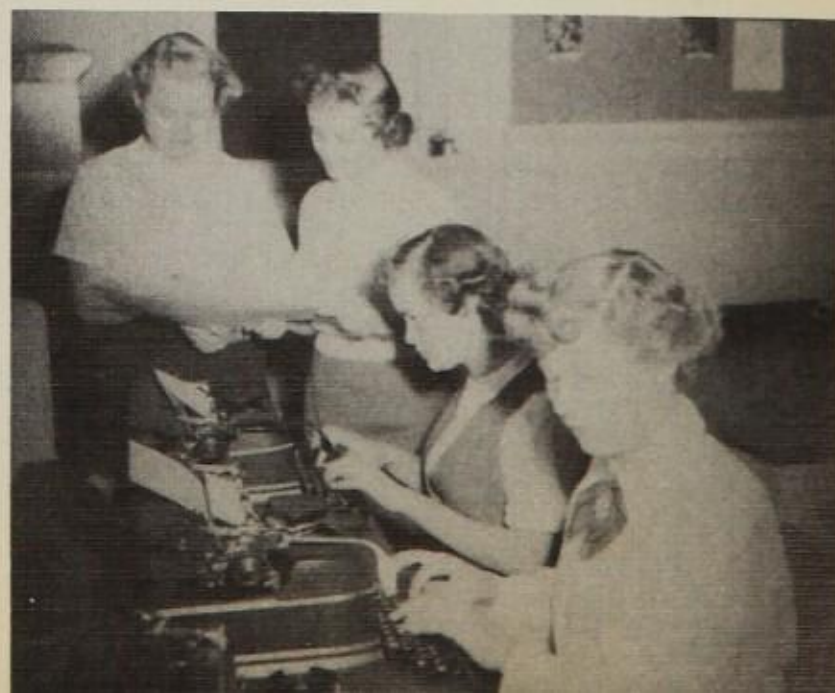

All copy, identification, running heads, and senior activities were under the supervision of the literary, class, and senior editors. Contributions of the staff members were rewritten, proofed, and typed by this group.

Photography was done by the three professional photographers and the appointed annual photographers.

Many hours were spent pasting up the copy and the photographs. Our editors were in charge of this project, but everyone joined in on it.

Trips to "Yearbook Day" at Redlands and the S. K. Smith Co., the cover manufacturers, were highlights for the class.

The literary staff and typists for the Cardinal are Luanne Lewis, Grace Holman, Walterene Stovall, and Beverly Tyson.

CATERING TO THE STUDENTS' INTERESTS is the policy of the *Cardinal and White*, and it is received enthusiastically by everyone.

The page one editors bring efficiently interpreted news of high school and local events to the students through a series of news beats.

A variety of columns and articles are maintained by the editorial and feature page editors. These items also keep the students interested in the Colt team standings.

Credit must also be given to those who walk the streets of Covina selling ads to help support the paper.

The C. and W. is instrumental in calling attention to weaknesses in campus functions and behavior patterns. It endeavors to help these situations by offering constructive plans for action. An excellent example of this is the splendid treatment the C. and W. has given our shortened Friday problem. Many, many thanks to the *Cardinal and White* for keeping us informed and happy.

Some of the page editors are Vincent Notz, Lois Lennon, Marilyn Williams, and Norma Marcus.

Service, their

Planning the services rendered by Alcyonians were (second semester) Joan Stevenson, alcyone; Janet Pitzer, v.-pres.; Barbara Campbell, sec.; Joan Strand, treas.; (first semester) DeNiece Burrell, alcyone; Leona Bertonneau, v.-pres.; Priscilla Wilson, sec.; Pat Allison, treas.

BRIGHT FACES identify the Alcyonians, girls who are of great service to our school. They are selected from members of the sophomore and junior classes to serve during the succeeding year. Applicants are judged on service points, scholastic standing, citizenship, uniform record, and teacher recommendations. The votes of the members are added to the number of service points to determine the ten girls chosen from both classes.

The initiation of new members is looked forward to

with excitement, and when it is all over, everyone agrees that she has had a swell time. Among the projects this year are the sponsoring of a "get-acquainted" sock-hop, decorating the goal posts, ushering at "Back-to-School" night, conducting the clothing drive for the "Children's Clothing Crusade," and carrying books on Porter Day. All profits go toward a lighted billboard. These girls of the moroon sweaters have no trouble keeping busy, and they are known for "service with a smile."

PROGRAMS! BUY YOUR PROGRAMS! This is the cry of the Esquires at every football game. Yes, these are the boys who sell the programs and supervise the student body section at the games. In connection with the football season they maintain a picture of the "Athlete of the Year" in the administration building hall. They usher at many functions such as graduation, baccalaureate, and "Back-to-School" night.

The junior and senior boys are chosen on the basis of scholarship, citizenship, qualities of leadership, charac-

ter, and co-operation. There is a minimum membership of twenty-four and a maximum of thirty-two. When the requirements for membership have been met, the applicants are voted on by the members. Applicants must be approved by a unanimous vote. It is a great honor to become a member of this service club which is devoted to giving opportunity for leadership, to preserving and building morale of the students, and to creating school loyalty.

BUDDING JOURNALISTS belong to Quill and Scroll. This organization is an honorary club composed of students who have taken journalism and who show promise in the literary field. Students working either on the yearbook or the school paper are eligible, but they must submit samples of their work and a statement of the progress they have made before being considered

for membership.

An "All School Skate" is sponsored by this group, and their candied apples always make a hit with everyone. Installation of officers and initiation of new members is conducted at the close of each year. All students who belong are life members in this national organization.

They maintain high standards

WORKING TOWARD HIGHER GOALS are the Wycai-pians. Designed for girls who are underclassmen, Wycai-pians sets high ideals to challenge girls for membership, promotes service, develops character, trains for citizenship, and teaches co-operation and acceptance of responsibility. Girls are selected for this club on the basis of scholarship and citizenship.

Services performed by this group include working in the Colt stand during football season, ushering at band concerts, and serving as receptionists at "Back-to-School Night." A Christmas project initiated by the group is "Singing Telegram Day." For a small fee any of these girls sing a message to a friend. Opportunity for service is provided here.

and further better government...

"MAKE DEMOCRACY WORK" is the slogan of the Junior Statesmen of America.

Activities of the J. S. A'ers are numerous. Beginning the year with a mock convention is fun for all, and those who attend regional and state conventions get an extra special treat. Ten members attended conventions in Bakersfield and Berkeley. J. S. A'ers also hold important panel discussions before civic groups, this year the P.T.A. Heading their autumn activities are the conducting of elections and the urging of registered voters to "go to the polls."

The major project this year is circulating petitions in order to get an initiative measure on the next ballot to lower the state voting age to eighteen. In co-ordination with this project a state newspaper is put out under the direction of state editor, Kathie Fraser.

Learning about and participating in government are the Covina J. S. A'ers.

Activities of Junior Statesmen were planned by Mr. Jensen, adviser; Jim Dougharty, speaker; Margie Jones, treasurer; Ann Hackler, parliamentarian; Pat Allison, secretary; Robert Dial, mayor.

PLAYING AN IMPORTANT PART in the function of our school is the Girls' League. This organization set up to promote a spirit of fellowship, citizenship, and leadership is of great value to C.H.S.

During the summer the Girls' League board dispatched letters telling of the rules and regulations for the succeeding year to the incoming freshman girls. In November the board played hostess to eleven schools in a district convention. The girls became better acquainted and discussed mutual problems. Hot dogs, coffee, candy, and "cokes" were the project of this group during football season; and the crowd in the stands were mighty glad. December brought bake sales, holly sales, and turkey raffles to buy a television for the Corona Veterans' Hospital. Decorating the tree in the administration building presented fun and frolic to the Girls' League board.

The revival of the Valentine's Ball will never be forgotten by all who attended. Held at the Monrovia Women's Club with Leona Bertonneau as the "Queen of Hearts," the ball was perfect; and everyone is enthusiastic about the prospects of future years. The annual movie presented for the student body was held in February this year. "God Is My Co-Pilot" was shown.

The uniform checkers and others assistants felt as if they ate more than enough at their March potluck. "Cheaper By The Dozen" was shown to all girls as a reward for wearing uniform. A marriage booth and hot dogs were the Girls' League's contribution to the Hi-Jinks. The final activity was the Senior Mothers' Tea. The theme this year was "Parisienne" with the library as the "Moulon Rouge." Another successful year is ended.

STARS OF TOMORROW? The seniors belonging to Masque and Dagger are on their way. Twelve boys and twelve girls are selected for this club on the basis of their acting ability alone. Fun is the theme word for these actors and actresses whether at initiation, a picnic, or a potluck.

Concentrating on their show for the Hi-Jinks is taking up most of their time this year. Learning parts and building stage sets bring on much laughter and gayety. "Anything Can Happen" makes the Hi-Jinks a success. Mrs. Smith, adviser for the club, is a great help in producing the play.

The seniors in the club this year will never forget Masque and Dagger. They wish good luck to all juniors lucky enough to make it for next year.

DO YOU HAVE TALENT? Is your secret ambition to be an actor or actress? If so, Thespians sheds its spotlight your way. Thespians is designed for those who enjoy any form of "show business." Many people have started on their way to stardom in Covina High by participating in a stupendous Thespian play. This club is progressing under the fine leadership of one patient person, Miss Austin. She devotes much of her valuable time for the service of the club. Miss Beulah Yeager journeys to Thespians once a year from Mt. San Antonio College to give the club helpful advice in the dramatic field. This club is a stepping stone on the path of fun and knowledge to the actors' world.

A mania for fun

GALA GATHERINGS, refers to very meeting of the Covina Tri-Y. Tri-Y is the teen-age branch of the Young Women's Christian Association dedicated to the development of Christian character and good times.

The ever popular informal initiation is never forgotten, and the memory of the impressive formal initiation lingers on. In spite of its large membership, this club is extremely well organized. The annual football dance, given in honor of the team, is a favorite on their list of activities, and the trip to "Y-Day" at the Hollywood Bowl rates a close second. As a Christmas project the

Tri-Yers send chocolates to Y-Teens in France. All of the girls love their potluck dinners, and they often knit while they make plans for their future activities, whether "sock-hop" or the important Mother-Daughter Banquet.

Conferences and parties with the boys of Hi-Y are always loads of fun.

The girls end the year with a Hawaiian "luau." This "luau" is exclusively for the members and their dates, and the installation of next year's officers is conducted here. We may well say of the Tri-Y that a good time is had by all.

GOOD FELLOWSHIP is a phrase which illustrates the feeling of all the boys who belong to the Hi-Y. This group is the high school branch of the Y.M.C.A. The goals of the club are the promotion of clean living and the development of Christian fellowship. "Y" Day is the main activity each year, and many boys attend. The regular meetings of the group present a good chance to talk over problems of the present and plans for the future.

ACTIVE PARTICIPANTS is a good description of the girls belonging to the Future Homemakers of America. During the summer the girls prepare their usual attractive booth for the County Fair. They always begin the year with an initiation and a potluck dinner served by the new members. Everyone enjoys the annual taco dinner with the boys of F.F.A. Bake sales are the favorite money-making project for this group, and they hold several each year. The co-sponsorship of the annual Christmas Ball by the F.H.A. and the F.F.A. is the highlight of the year. This year's ball was held at the Pomona Ebell Club with Hal Lomen's ever popular band. Donna Moody represented California at the national cherry pie contest in Chicago. The state convention at Asilomar and a section convention at Lancaster were both well attended, and Gayle Joy was elected section treasurer. The Hi-Jinks and the installation of next year's officers concludes a very successful year for the F.H.A.

ENJOYING LIFE and nature are the Future Farmers of America. This national organization is designed to train vocational agriculture majors in rural leadership. Much is done each year toward accomplishing this purpose. Many of the boys place entries in the County Fair, and several come home with prize ribbons. In carrying out their purpose "to train for rural leadership," the boys are active in many contests. Teams of the Chapter have brought home top honors for Los Angeles County in the following fields: production credit association contest, public speaking contest, and co-operative marketing contest. The club is extremely proud of the teams that won and carry on the good name of their chapter. Jim Mortensen and Brownell Hutchinson have brought fame and respect to Covina by being chosen the two most outstanding Covina participants in F.F.A. competition in Southern California.

The boys joined the F.H.A. at their famous taco dinner, and they also contributed greatly to the success of the Christmas ball. Jo Ann Overholtzer served as the queen of this year's chapter and has inspired the boys to a happy year.

AROMAS OF LINIMENT and medical supplies are well-known to the future nurses. A genuine interest in the field of nursing is the only requirement for membership. The girls gain knowledge through trips to neighboring hospitals such as Good Samaritan and Huntington. Several girls work at the Covina Hospital as volunteers,

sponsored by the club. Two of the girls who started in this volunteer group are now doing Saturday and Sunday work for pay. Gifts and cookies are distributed at the Casa Colina Children's Hospital each Christmas by those who belong to this educational organization, just one step from their "hoped for" careers.

A spirit of unity

¿HABLA USTED ESPANOL? These are common words to the señores and the señoritas of the Spanish club. The students interested in obtaining a better understanding of things Spanish have a wonderful time in Los Conquistadores. Eating the tasty tacos prepared by this group is enjoyable for the students and faculty

alike. Preparing for the Hi-Jinks is a time consuming but fun involving job. Other schemes for raising money are of great importance to the "conquerors." All year long they make plans for a celebration at the end of the year. This year's plans are to make a trip to an exclusive Spanish restaurant. Hasta luego until next year.

and sportsmanship...

MEN OF BRAWN—these are our lettermen. The goal of the Lettermen's Club is to promote sportsmanship in school and interscholastic athletic contests. Members must earn a letter either in football, basketball, track, tennis, or baseball. The insignia of this club is a small "C" armpatch worn on the member's Lettermen's sweater. Better relationships and good incentive result among the varsity athletes who belong to this organization.

Meeting every other week, the program of the club includes the regulation and enforcement of the law that only varsity lettermen may wear service stripes. Also, in co-operation with the student body, the club ushers and keeps order at all home basketball games.

Under the leadership of Coach Bemoll and President Larry Mann the club enjoys many friendly "get togethers."

Their high standard of sportsmanship and fine spirit during the year is a tribute to their success.

SPARKING SCHOOL SPIRIT are the members of the Pep Club. Cheer leaders, song leaders, flag girls, drill team, and the chairmen of both the rally and student activities committees are all members of this vital organization as long as they maintain their required grade average. This group advertises all games and often presents skits

at the rallies. Their projects include making pom-poms, which are a big hit; and the intriguing little Santa Clauses, which were their Christmas project, were a sell-out. Through these means and through the enthusiasm they invoke to those around them, they do a tremendous job of maintaining school spirit.

Pep, rhythm, and

MUSICAL ASSISTANCE to many of the student body affairs is offered by the commercial orchestra. The talents of the members were especially enjoyed before and during the intermission of the junior play and the senior play. This year they played many entertaining numbers for the community during Back-to-School Night and for the Public School Week sponsored by P.T.A. The or-

chestra has many enjoyable hours practicing and playing dance and jazz arrangements and are available for school dances and parties. It also accompanies the Sextette. All the Harolds and Lillums of the student body enjoy the service rendered by this group of musicians.

MELODIOUS VOICES compose the Cardinal and White Choir and the Sextette, which are accompanied by Mary Elliott and Adrian Castorina. The members of these two groups are chosen from auditions, and so the voices represent the finest singing quality on the campus. Among the many singing engagements this year are the Christmas assembly, the Realty Board Assembly, Ye Friendly Glee Club Festival, and the Spring Festival during Public Schools' Week. At the end of the year the choir assists in Baccalaureate services and graduation exercises. In addition, the girls in the Sextette entertain many of the organizations of the community as well as the student body.

MARCHING ALONG TOGETHER are the members of the Colt band. Either on the field or on parade they always look just right. The peppy songs and clever half-time stunts heard and seen during football season are the results of many hours of Thursday night practice. Appearing at the Los Angeles County Fair twice, at the U.S.C.-Washington State game at the Coliseum, in three parades, and as the official band of the F.F.A.-F.H.A. Convention well illustrates the band's success.

Solo Night is an important event for all band members along with the annual marching band concert in January. The fifty cents admission to the concert helps

pay for outside activities.

The trip to Carlsbad, California, is new this year and affords pleasure as well as work. Money is raised for this event through bake sales and concerts.

The band is proud to see several of its members in the All Southern California Symphonic Band again.

Carrying out tradition, the Memorial Day beach party is being planned with excitement predominating. Also, the Baccalaureate Vesper is outstanding this year.

The Covina Colt Band ends the year with a record of which to be proud.

The majorettes pose with one of the awards which they assisted the band in winning.

After an active season the band members enjoy the annual band banquet.

NEWLY ORGANIZED is the Gun Club. The twenty-one charter members are busy drawing up their constitution and getting organized. Under the sponsorship of Mr. Preston the club is lining up the outline of its programs. The purpose of the club is to study weapons. Members of the organization are to bring weapons to their meetings and discuss the good or bad qualities of the gun, the uses of the gun, and any other things of interest. There will be no actual shooting done by the gunmen. A fine start has been made by this club, and it will remain at C.H.S. for many years to come.

EVERYONE LOVES SUSPENSE and excitement, and he always finds it at a Covina High game. From the Varsity to the Dee's our teams are always something to be proud of. Friday rallies encourage school spirit; song and cheer leaders channel enthusiasm; and the townspeople cheer our boys on to victory.

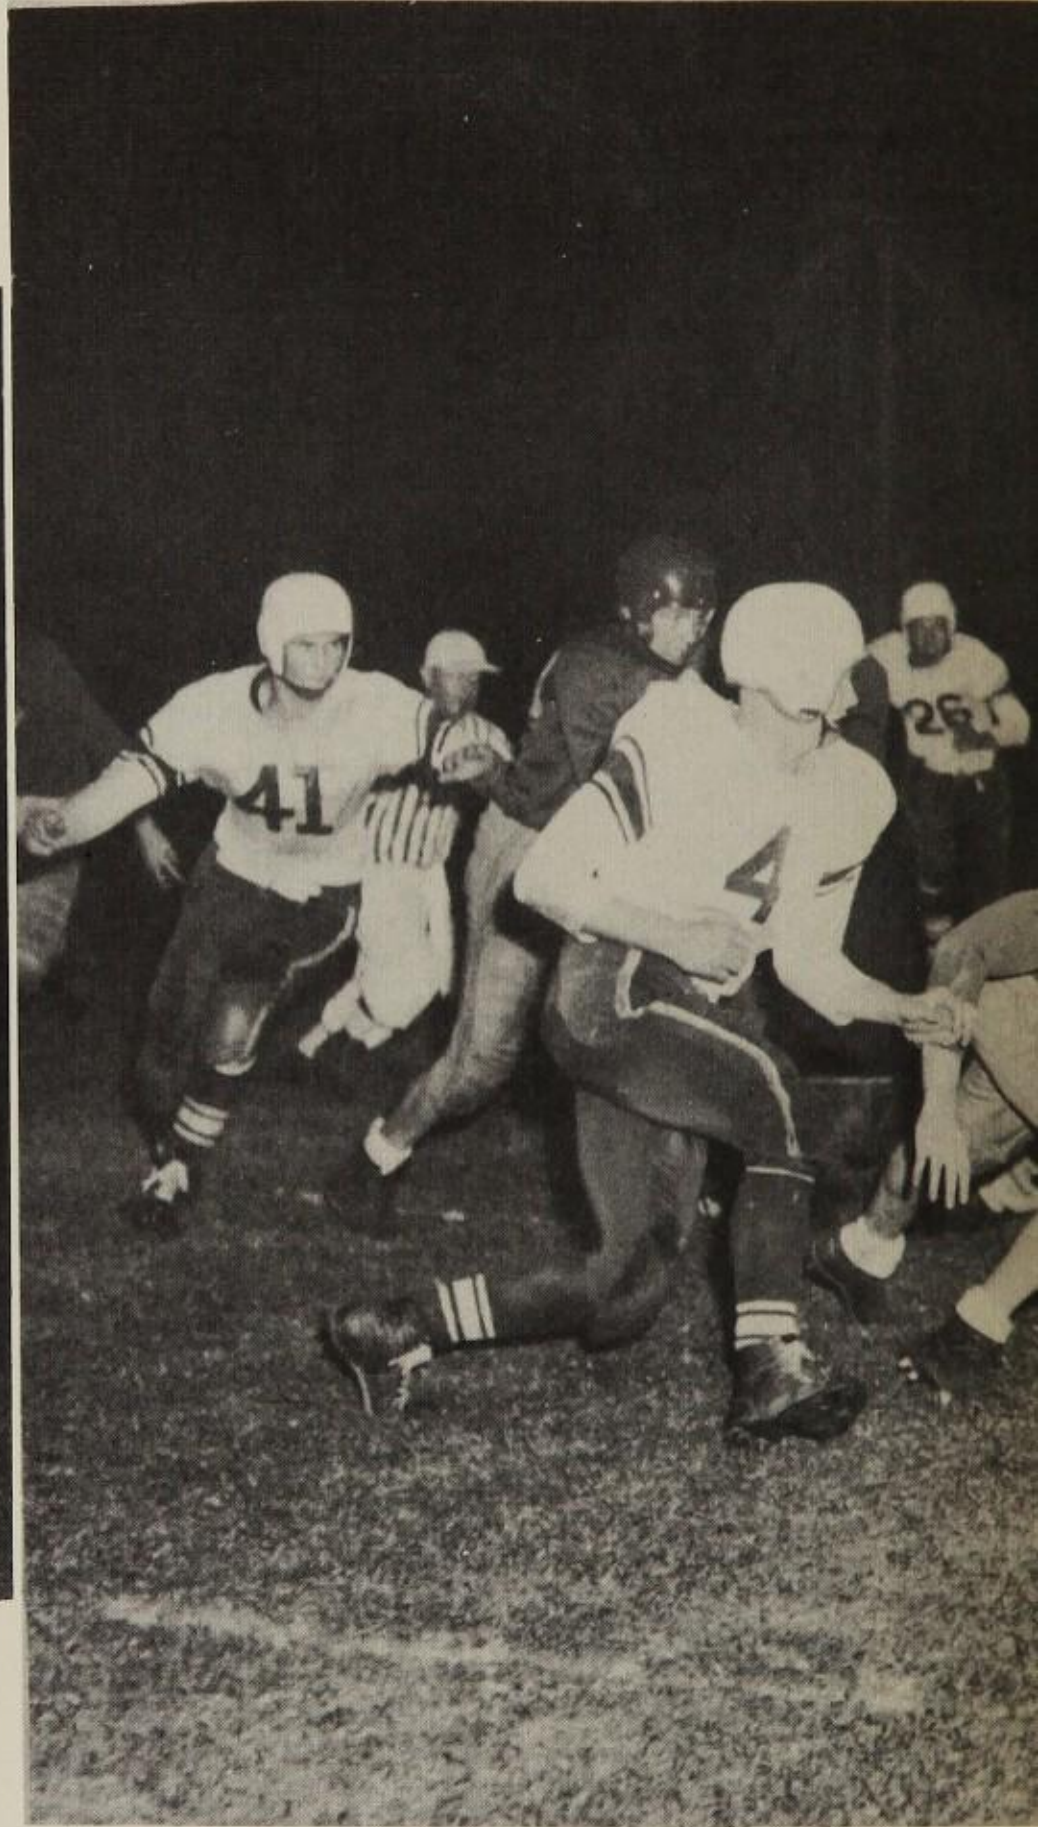

Harold and Lillums enjoy both the boys' and the girls' sports, and they keep many memories of them in their book. Why not turn the page and see them for yourself?

Sportsmanship and perseverance

THE PROUD HOLDERS of the league championship for the second time in three years showed the members of the San Gabriel Valley League that the Covina Colts are tops!

Upon greeting a squad of ten returning lettermen and forty other eager boys, coaches Lawrence "Buzz" Bemoll and Jerry McClellan started in immediately to shape up the future champs. Many hours of practice and excellent coaching paid off in the end.

Inspired by co-captains Bob King and Larry Mann, the squad set its sights on the championship. Hours of hard work on conditioning and fundamentals along with experience helped considerably in the fine season the Colts enjoyed.

The season opened with an old and almost forgotten rival, Burbank, and Covina won with an impressive score. Next came the Pomona "Red Devils," and they too were left on the short end of the score. A return match with the favored Mesa, Arizona, "Jackrabbits"

spelled trouble. The Colts lost in the final stanza.

When the league games started, the aggressive Colts journeyed to Lynwood and humiliated the favored "Knights" on their own field. The following two games with Bell Gardens and Rosemead were won easily by the Colts.

The Colts looked well on their way to the championship when their hopes were dimmed by a heartbreaking loss to a strong Montebello club. In the final league game El Rancho was no match for the Colts, and the championship was ours.

The Colts played inspired ball against Santa Monica in the first round of the C.I.F. play-offs, but they couldn't come close to equalling the "Vikings'" speed and passing attack.

The Colts ended the season with six wins, three losses, and six men on the All-League teams. Every win was a "team win," and every loss was a "team loss."

Captain Mortensen is downed after nice gain.

FINISHING THE SEASON with a record of three wins, three losses, and one tie gives no indication that the Coltlets were not a strong ball club. After overcoming the difficulties of getting organized, the bees began playing as a team, and they gave their opponents a scrappy battle all the way.

The coaches Mr. Sweeney and Mr. Pike did a splendid job in training the boys both in teamwork and fundamentals.

Starting a little slowly, the Coltlets lost one and tied one of two practice games.

Beating Lynwood in the league opener was a great encouragement to the boys, but because of some costly mistakes they lost their next game to Bell Gardens. Rosemead was also victor over the Coltlets.

The team was up for their next game and looked very good beating Montebello, and El Rancho offered an easy victory for the Coltlets in their final game.

STRIVING FOR THE VARSITY are the boys of the cee football team. Under the expert coaching of "Doc" Sooter the enthusiastic squad gained experience and showed marked improvement as the season progressed. Many hours of hot after-school practice paid off; and although winning three games and losing five, the scores showed that they gave the opposing teams plenty to worry about.

The team voted Tim Padillo, fullback, most valuable player, and Tom Button served as captain.

As a result of the experience they have gained, the boys show great promise for next year.

Colt varsity cagers score "2".

AIMING TO WIN every game were Covina's varsity "hoopsters." Because of this determination the Colts ended the season with an amazing finish after being slow to round into shape.

The team lost five out of six games in an early season slump. However, led by co-captains Jim Pierce and Darrel Crowder, the boys found the right combination and came home from the Chino tournament with the consolation trophy.

Coach Sooter's team then entered league competition and won seven out of their next ten games to tie for second place. The play-off between Covina and Lynwood gave the Colts undisputed second place.

In the C.I.F. play-offs the Colts met Santa Barbara and conquered, 50 to 49. They lost to Whittier 54 to 75 to end a highly successful season.

TIED FOR THIRD PLACE in league competition was the bee team. Although they started rather slowly, winning only one of their practice games, by the time the league opened they were ready to meet all opponents.

The first three games went down as losses, but they could have gone either way. The boys hit the winning column when they received three straight victories. Two games were lost and the last two were won.

Mr. Bates' team has a league record of five wins and five losses. The J.V.'s did a splendid job this year.

PLAYING AND TRAINING were the purposes of the cee basketball team. These boys played hard all season, and their scores for the year do not show the effort which they put out.

The team won two league games and lost eight. In practice games the cee's won two while losing six.

Coaching the cee's during the 1953 season was Mr. Snell of Baldwin Park High School.

OUR CHAMPS, the dee basketball squad, had a very successful season this year. Despite the loss of John Wood midseason, the team went on to win the league championship with only one loss in league competition.

Sparkplugs for the team were high point men Garth Bryce and George Bryant.

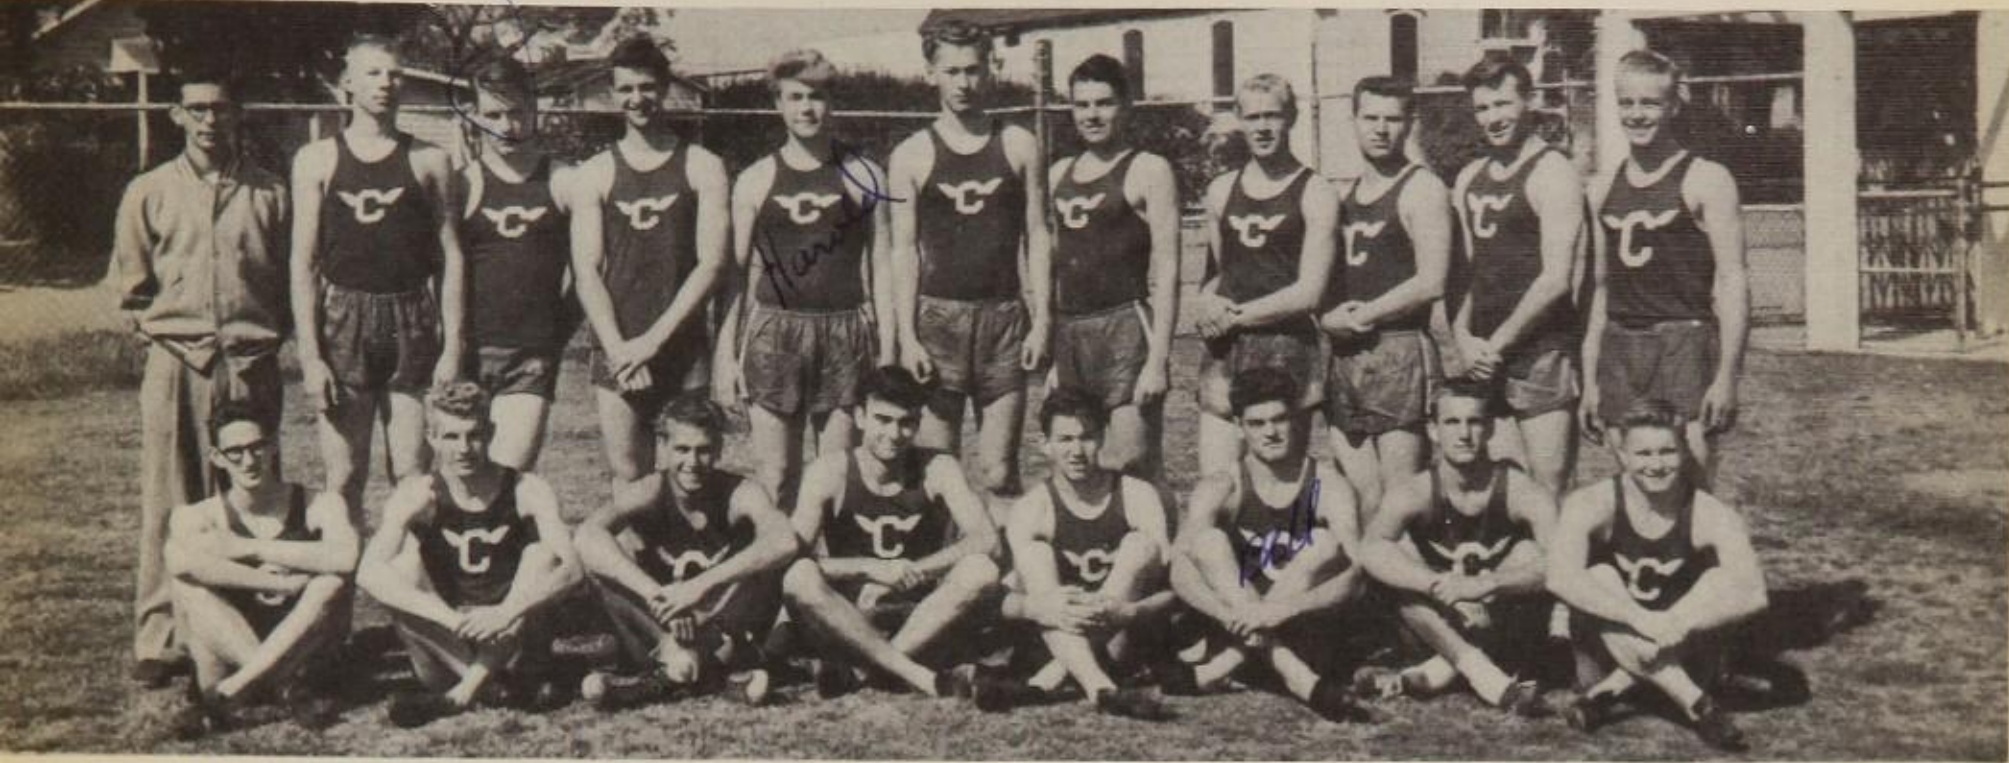

The "most valuable player" award was given to Larry Whitenack, and the honor of captain went to Jim Reed.

RUNNING WILD and playing long are the members of Covina's varsity track team. The Colts had a good season after being trained by Coaches Caldwell and Bemoll. Supported by many returning lettermen they finished third in the league with three wins and two losses. One point was the narrow margin by which the Colts lost to Lynwood.

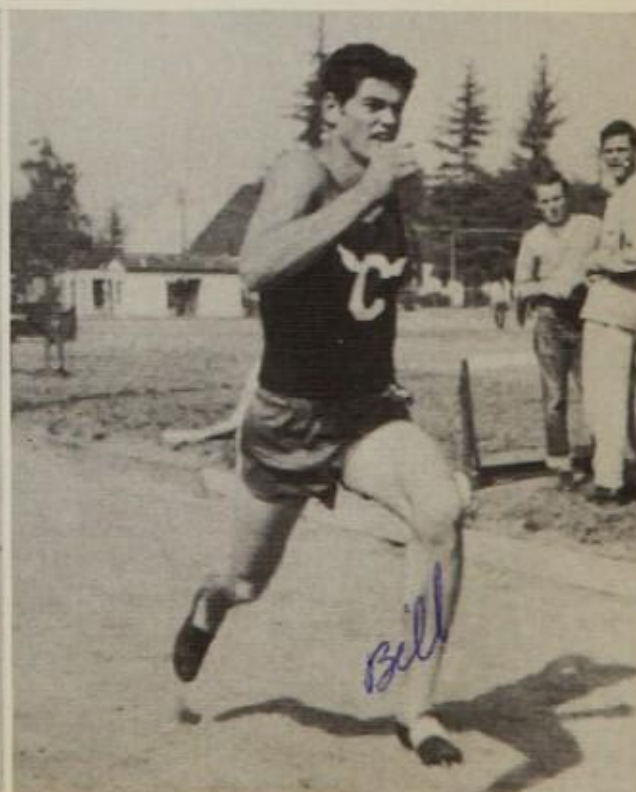

A good showing was made at such invitational meets as the Santa Ana Relays, El Monte Relays, Chaffey Invitational, and the Santa Barbara Easter Relays.

The Colt thinclads were led by Dave Wickersham, Ron Randall, and Al Massey in the sprints; Paul Herner and John Hill in the hurdles; Chuck Nichols in the 440; Bob O. Ward and Bill Wilson in the 880; Ward and Clayton Johnson in the mile; Bob A. Ward in the high and broad jumps; Dick Hanks and Dean Stambaugh in the pole vault; and Randall and Wilson in the shot put.

Many of the boys this year are juniors, and with the progressive Bees and Cees it is hoped that next year's team will be equally as good.

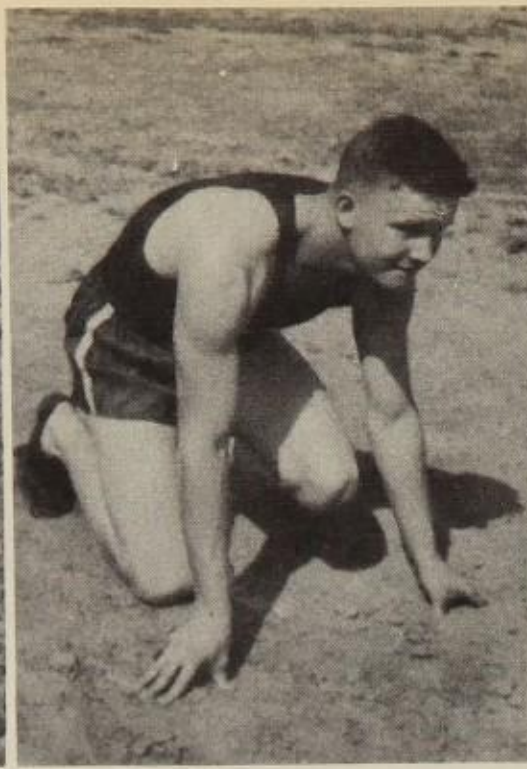

Paul Herner gets over last hurdle. High jumper Bob Ward squeezes over 5'10".

Captain Bill Wilson finishes fast half mile.

Dick Hanks gets set for pole vaulting.

Dave Wickersham gets set for 100 yard dash.

Tom Whitenack strains for 13.7 record.

Captain Harry Empey finishes fast 220.

CROSS-COUNTRY—Billy Graham, Dwight Case, Gary Gardiner, Garth Brice, Earl Harris, Jim Holk, Ken Wiley, Don Worth, Bob McCormick, Mr. Caldwell.

Cross-Country

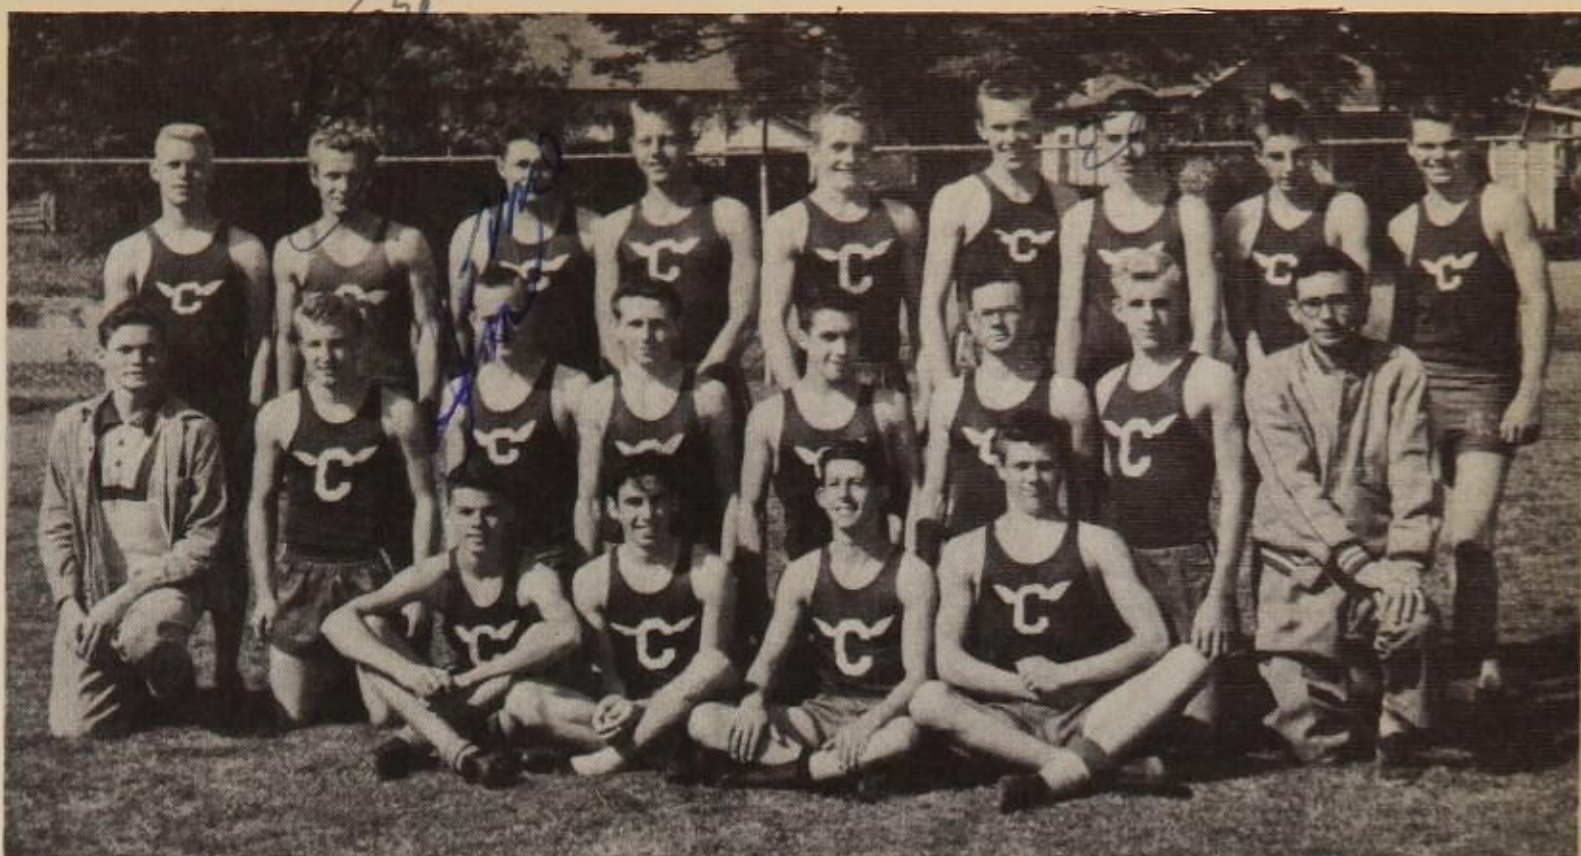

LONG DISTANCE RUNNERS go out for the cross-country team. During its second year at Covina the team has showed marked improvement and should continue next year.

After being beaten by Montebello and Rosemead, Covina placed third in league competition.

Bob McCormick traveled the course in 9:09. This was 21 seconds better than the old school record of 9:30.

Track teams received a definite benefit in distance events from this group.

Bee's

BEE'S—ROW ONE: Chuck Richardson, Bob McCormick, Ken Wiley, Tom Whitenack. ROW TWO: Robert Munson, Burt Robbins, James Freeman, Jim Holk, Arbie Hoyal, Harry Empey, Alan Peterson, Mr. Caldwell. ROW THREE: Buddy Calbreath, Bob Radmacher, Dale Colby, Chuck Wilkinson, Jim Swaisgood, Dale Anderson, Harold Eller, Earl Harris, Bill Beard.

CONSTANTLY WINNING every meet was this year's bee track team, and this makes the team one of the best Covina has had in a long time. The team came out ahead of every other school in the league, and the boys were chosen champions of their division.

Two school records fell this year. Jim Swaisgood pushed the shot put 50'2" for the new record, and Tom Whitenack broke the low hurdle record at 13.7.

Trophies were brought home from both the El Monte and the Santa Barbara relays for running up the highest number of points.

The team worked hard to win the league championship and enjoyed every minute of it.

LIGHTWEIGHT AND SPEEDY are Covina's cee track men. Three wins and two losses put our boys in third place in league competition. The team consisted mostly of freshmen, and with a few more years' experience, they should prove to be valuable varsity material.

Outstanding in each event were Magnuson in the 100; Reistetter in the 180; Frye and Reistetter in the hurdles; Wilkenson in the shot put; Martin and Leppla in the pole vault; Whitenack and Martin in the high jump; McKenna and Bryant in the 660; and Campbell and Oden in the broad jump.

FIFTEEN HOPEFUL BASEBALLERS turned out for the varsity this year, and among this group were six returning lettermen. These boys gave the Colts the experience they needed to make a well-balanced team.

Coach Sweeney was at the helm for the first time and did a swell job of improving the hustling Colts throughout the entire season.

The Colts' pitching staff was the strongest in some years, but errors by the team were frequent. In the errorless games the pitchers looked very good, and no team could ask for better.

Quackenbush awaits the arrival of the pitcher's delivery.

The first and second games were won by the Colts over Colton and Anaheim, respectively. Our boys tied Citrus and split a pair with Whittier and Chino, losing to Whittier and beating Chino. Claremont and Bonita defeated Covina in its next two games, but they won their final practice game with Baldwin Park.

Winning the league opener was one of the most thrilling games of the year. The Colts fell short and lost the next three games to Montebello, El Rancho, and Lynwood. The championship is in sight for the Colts.

The ump watches pitch to Fitzpatrick.

BEGINNING HORSEHIDERS did very well in spite of their lack of experience. Although the J.V.'s league standing was not what the team had wanted, the experience gained by the boys far exceeded their hopes.

Coach McClellan did a splendid job with the team and the boys all played hard and learned a lot about baseball.

From top to bottom the boys did a wonderful job of using teamwork and sportsmanship.

The experience gained this year will give confidence for next season.

INTERESTED IN SPORTS? The Girls' Athletic Association is for all girls interested in participating in extra-curricular sports. The purpose is to create through athletic and social activities a spirit of democracy, physical and mental efficiency, and good sportsmanship. This organization enables girls to compete between their own classes and get acquainted with girls from other schools.

Each year play-days are planned with surrounding schools. The spring play-day, May 5th, was hosted by Burbank High with "Cross-Country Cavort" as the theme. Whittier, Bell Gardens, Glendale Hoover, and Covina took part; after the competitive games a late afternoon swim with fun for everyone was provided.

Sports played in their season are volleyball, basketball, speedball, hockey, and softball. Minor sports such as badminton, archery, and tennis are also played. Each sport played earns a specified number of points, an emblem, class numerals, and school letters; with a total of 1000 points a G.A.A. sweater is awarded.

Under the capable instruction of Miss Swan, the G.A.A. girls have learned the qualities of good sportsmanship through athletics.

Members of G.A.A. cheer each other and hope this strike will prove to be a home run.

A hockey player needs to be alert in order to have the teamwork necessary in securing a goal.

Teamwork is essential in any game, especially volleyball, and with the aid of a "spike" this play is ended.

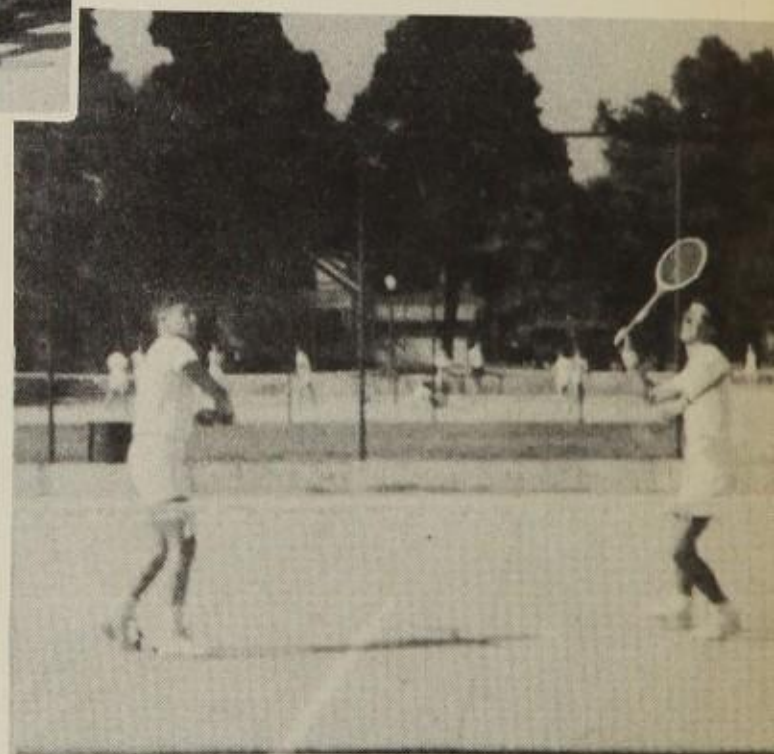

Quickness is necessary for any basketball player, and it seems the reward will be another two points.

De Mott and Thompson go after a high lob in a fast game on the Covina courts.

SWINGING THEIR RACQUETS and hitting the balls are the boys of our tennis teams.

The J.V.'s have gained experience this year in the use of special techniques and are well on their way to next year's varsity.

Under Mr. Preston's excellent coaching the varsity tennis team has done a good job. The loss of three key players caused the tennis men a rough season, especially against Rosemead and Montebello.

Constant practice and added experience have brought the Colts up to pre-season expectations, and the netmen had many triumphs throughout the 1953 season.

J. V. TENNIS—ROW ONE: Henry Burg, Jim Reed, Jim Price, Jim Fraser, Paul Wegfahrt, Bradley Schultz. ROW TWO: Richard Robertson, Don Dreesbach, Charles Carter, Martin Sedig, Warren Williams, Mike McKain, Ricky Tallman, Mr. Preston.

Dear Marshall,
Well, you've given me a
lot of trouble this year but
I'm glad I got to know you.
We've had some pretty good
times in Spanish. Don't know
if I'll see you in 5th year or not.
Hope so. Anyway, lots of luck
when you are upperclassman.
A friend always,
Paul

lots of luck
your 20 20 20

to a good guy from a better guy. Gordon Young

lots of luck
in '53 at Corvina,
Sharon Mika

To Marshall Unger

Hi Marshall,
It has been
swell knowing this
past 1/2 year. lots of luck
to a swell guy.
All love to you

The best of luck
to you in the future
years at Corvina.

Willow Magnusson

Hi Marshall
Well I just want
to say good luck to a
real gone guy

Bob
Redmarch

lots of luck to
the coming year
and later. hope you
pass this time
